## **COMPREHENSIVE PLAN**

The Property falls within the Employment Corridor, Business Park and New Suburban land use areas of the Westfield-Washington Township Comprehensive Plan (the “Comprehensive Plan”). Office and service uses, research and development, and retail and institutional uses that are subordinate to and supportive of the office and service uses are contemplated as appropriate uses within the Employment Corridor area. Manufacturing, subordinate office, retail, and services, research and development and warehousing uses are contemplated as appropriate uses within the Business Park area. Detached dwellings, attached dwellings, institutional uses, recreational uses, artisan farms and equestrian uses are contemplated as appropriate uses within the New Suburban area. The Comprehensive Plan is not law; rather, it is intended to serve as a guide in making land use decisions.

## **Family Sports Capital Addendum II**

The Property falls within the Grand Park Sports Campus (see **Exhibit 4**).

In addition to the sports-related uses within the Sports Campus, it is anticipated that other related and supporting land uses will be located within, adjacent to and nearby the Sports Campus. Such land uses will likely include hotels, restaurants, healthcare and sports medicine facilities, professional offices, retail uses, higher density residential uses and other supporting commercial uses. It is contemplated that such other uses will be proposed and approved either in conjunction with the Sports Campus or after development of the Sports Campus has been initiated. The total additional land area to be utilized for such purposes will be many times the size of the Sports Campus as shown in Exhibit A of the Family Sports Capital Addendum II.
